

Assessment Calendar 2026-27

Note:

Put in the best effort to work on IAs- they should/could score higher as it as you and your teachers have more control over its quality

Longer the gap between the start and end, more chances of lack of momentum and motivation

Legend

• VA
• Business Management
• Psychology
• Language and Literature
• Biology
• Design and Technology
• Chemistry
• Physics
• Mathematics
• TOK
• EE
• SSST, Language B Ab Initio– Swedish, Spanish - all levels
