

ISÄ Admission Policy

The school is run by the local Board of Education and is open to international families living in the area on a temporary basis.

The criteria for admission are:

- Pupils in international families moving to Älmhult and staying for a limited time.
- Pupils in families moving to Älmhult or the region who have attended an International School abroad for a major part of their education and therefore have a reason to complete his/her education in an International School.
- Pupils living permanently in Älmhult or the region who in the near future will continue their education in an International School abroad.
- Pupils from a home in which English is the language spoken by one or both parents and who have sufficient knowledge of the language to participate in classes (Pupils need, by law, to be able to speak enough English to follow the lessons. This is not a criterion for pupils starting the pre-school).
